Action taken on the basis of Student's Feedback Analysis 2022-23

Based on comprehensive study & analysis of students' SSR feedback 2022-23, following measures have been taken to meet the most compelling issues raised by the students.

1. To answer the problem of lack of classrooms, two new classrooms have been built on the 4th floor of Vidyasagar Bhavan and are being used right now. One more classroom are coming up at the 2nd floor of Ananga Bhavan as well which will be available by the end of this session.
2. To increase the ICT friendliness of students and to implement new age learning techniques, smart –classes are being regularly taken in the ICT room. There is provision for smart classes in the routine also.
3. To cater to the particular needs of less advanced students, tutorial classes are regularly taken and it is included in the general routine for every subject per week.
4. The sanitation facilities have been renovated to meet the demands of students. On the basis of complaints registered by students, girls' washrooms in the ground floor of main campus have been fully renovated. Washrooms in the Vidyasagar have been renovated as well.
